### Sample itinerary:

#### Direct Travel 14 days

**Day 1: Sunday** - Depart our local area mid morning for our journey to Dover, with a short ferry crossing to Calais. We then travel through the night to our destination Agay on the beautiful Cote de Azur, making comfort stops en-route.

**Day 2: Monday** - We arrive at the Esterel 4 star site mid morning to be greeted by our site managers Dave & Joyce, who will escort you to your mobile home. A member of Redfern's staff will deliver your luggage to your mobile home.

**Day 3: Tuesday** - Welcome to Esterel in the bar with our site managers at approximately 10:00am to explain the site facilities. At approximately 10:30am the coach leaves the site taking you to St Raphael for both beach and shops. At 3:00pm the coach departs for our first visit to the hypermarket for the weekly groceries. All groceries will be delivered to your mobile home by a member of Redfern's staff.

**Day 4: Wednesday** - A full day on site to relax and enjoy all the amenities it has to offer.

**Day 5: Thursday** - At 3:00pm the coach departs for a mid afternoon excursion to the beautiful resort of Nice. France's second largest city and a dignified queen of the Cote d'Azur, certainly has plenty to offer.

**Day 6: Friday** - At 10:00am the coach departs for a day to the pretty town of Menton. The town's French traditions blend seamlessly with Italian culture, not surprising considering it is right on the border with Italy.

**Day 7: Saturday** - At 10:00am the coach departs for our last visit to the hypermarket, all groceries will be delivered as before. At 5:30pm we depart for an evening in the resort of St Raphael, this local resort offers a craft market along the promenade.

**Day 8: Sunday** - Depart at 9:30am-12:30pm for a morning at Le Muy market where you can purchase the finest fresh produce.

**Day 9: Monday** - Optional excursion to Diano Marina in Italy, there is nowhere better than the celebrated 'Riviera of Flowers' situated in the warm Mediterranean Gulf Stream, the Italian Riviera combines the very best of a classical sightseeing tour.

**Day 10: Tuesday** - At 10:00am depart the site for an excursion to Port Grimaud, described as the mini Venice it was built solely on water in the 1960's and once the home to Joan Collins, proceeding onto St Tropez most famous for its harbour with some of the most magnificent yachts and quaint cobbled streets.

**Day 11: Wednesday** - A full day tour to Eze, where you may purchase goods from the perfume factory. Proceeding onto Monaco so prepare yourself for some breathtaking scenery. Monaco owes much of its popularity to the late Prince Rainier and Princess Grace. For those who wish, a visit to Monte Carlo is only a walk away or catch the "Noddy Train" and sit back and view the sites (our site managers will advise), famous for its casino and riches, where you may even fancy a flutter.

**Day 12: Thursday** - A day on site for everyone to relax and enjoy all the amenities it has to offer and prepare for the journey home.

**Day 13: Friday** - We say our sad farewells to all at Esterel approximately mid morning, retracing our steps for our journey homewards. Once again travelling through the night arriving at Calais for our mid morning sailing to Dover. Making comfort stops en-route.

**Day 14: Saturday** - We arrive back to our local area approximately midday.
